

***Recycle! Reuse! Rejoice!***

## **Donation Guidelines**

### ***Harvest Fair 2019***

Quality donations for the following tables are requested:

Baked goods – These items are a top seller! Donations extremely important!

Jewelry – Pins, rings, earrings in pairs, necklaces and bracelets with working clasps

Crafts – Handmade items or craft supplies in excellent condition

Collectibles – These are items you might find in a store selling quality second-hand goods or antiques

Regifting table – This is the perfect place to donate that gift you received that was nice but will never be used

The following tables have been eliminated from this year's Fair because past sales were not significant. We are not collecting donations:

Garden table (But please note: amaryllis WILL be sold)

Christmas table

Books – only accepting children's books in excellent condition

BUT, if you have items that are sure sellers in these categories, they can be donated to the **GREEN ELEPHANT SALE** in the Supper Room. White Elephant sales often offer previously owned, useless items that are hard to get rid of. But this is a **GREEN ELEPHANT SALE** – useful, desirable second-hand items for **REUSE** at a fair price!

**Please bring donations beginning Tuesday, Nov 5 through Friday, Nov 8.**

(We are unable to store donations before 11/5/19)

Other exclusions:

We are overstocked on glassware from previous years - wine glasses, dishes, vases, etc – people are not buying!

We do not accept clothing, baby items or infant toys, stuffed animals, plastic water bottles, jigsaw puzzles (non-sellers) or incomplete games, furniture, computer monitors, tv's, grills, propane tanks, large exercise equipment.

**Any large item that does not sell must go back to your home.**

Please consider the many hours and sore backs that go into unpacking, sorting, and setting up donations, and then, sadly, hauling those items that do not sell to the curb. Streamline!
